Stall Barn/Hospitality Booth Display

Description/Purpose- To showcase many equine breed and discipline associations in Kansas and educate the Equifest audience on opportunities to join or spectate.

Our goal is to provide a convenient and affordable opportunity for equine groups to be on display at Equifest without the expense of a standard vendor booth and minimum requirements for a breed/special demo showcase.

This is an opportunity in 2022 to have a table display with your breed or discipline group's membership information and show schedule for the season upcoming. You choose if you want to staff the booth space and interact or just set up a display for the 3-day expo. Two daily passes (two for Friday, two for Saturday and two for Sunday) will be provided in case you have members attending Equifest who can check on your display setup or restock brochures or information as needed and freely enjoy the whole expo. Opportunity for additional discounted pass purchase is available to exhibitors until February 18, 2022.

The cost for a 10x10 display booth in the stall barn is \$75. Set Up will take place on Thursday, March 17, 2022 between 8am and 10pm. Tear Down will take place on Sunday March 20, 2022 at 3:00pm.

Equifest of KS will provide Facebook mentions for you* (your group name) and will list you* in the Equifest of KS Program as an exhibitor.

Additional discount wristbands may be purchased until February 18, 2022. After this date, only full price admission is available at event box office during event open hours.
